

**Please Clear Snow From Around Your Fire Hydrant:**

If you have a fire hydrant located at or near your property, the Indianola Fire Department is asking that you clear snow away from it. When responding to a fire emergency, every second counts.

Buried or inaccessible hydrants may result in a delay at the scene of the emergency. Your assistance in keeping hydrants clear is greatly appreciated!

**Please Keep Your Sidewalks Clear**

For the safety of pedestrians, City ordinance requires property owners to clear their sidewalks of snow and ice in a timely manner.

Failure to comply with this ordinance may result in a fine, court costs and/or payment to the City for costs associated with removal.

Video of televised meetings is now available on the city website.

**Single Stream Recycling**

Single Stream Recycling will be coming to your town beginning December 26th.

**What is it?**

"Single stream" recycling is a program where all recyclable materials (newspapers, magazines, junk mail, telephone books, cardboard, tin & aluminum cans, plastics (#1-#7), and glass jars/bottles) are placed into one recycling cart which is picked up every other week.

**Here are a few facts that you need to be aware of:**

- Cart delivery will be during the week of December 12th.
- Your first recycling pickup for the "single stream" program will begin the week of December 26th and every other week thereafter.

Residents are able to keep their old recycling bins from McCoy Sanitation if they would like. If you do not want to keep your old bin Waste Management will be picking them up the week of December 19th. Please place your bin along the curb. If you would like to make a donation to your local food pantry please place non-perishable items in your old recycling bin to be picked up and Waste Management will collect them as well. If you would like to donate items but still keep your recycling bin, simply place donated items in a cardboard box along the curbside for collection.
