Resident Adopt-A-Tree Program
Register for a tree from
April 9 - May 4

Indianola residents may adopt a \$40-\$60 tree through this program for only \$25, which includes planting of the tree by a nurseryman in a residential yard within Indianola city limits. For an additional \$12 the tree will be staked and mulched.

By signing up for the program, owners agree to properly care for and water the tree throughout its life. Forty trees are being made available for this program through Indianola Parks & Recreation by the Indianola Community Tree Committee.

Weeds & Tall Grass

The City of Indianola asks that all weeds and tall grass be kept mowed. In addition to enhancing the beauty of the community, keeping grass mowed reduces the severity of some allergies, slows the growth of additional weeds, and significantly reduces the danger of fire during hot, dry periods. Property owners are responsible for the maintenance of their properties.
