

Wood Mulch

Mulch is available at the Indianola Brush Facility during normal hours of operation free of charge. Individuals wanting mulch will need to provide their own containers and assistance is not normally provided except on the second Saturday of the month.

On the second Saturday of the month from 9:00 am - 12:00 pm assistance for loading pick-ups and/or trailers is provided for a fee of \$10.00 per load. The fee helps to off-set equipment and personnel expense. The fee will go into effect on May 14th for those wanting assistance with loading mulch material.

Special Water Meters

Hydrant/sewer reduction meters may be used for watering new sod/seed/landscape or ground settling. Wastewater charges will not be assessed when using these meters. The meters are available on a first come, first-served basis.

Grass Clippings

When mowing your lawn please keep grass clippings off the street. Grass clippings on the street are an eyesore and can clog storm runoff drains causing localized flooding. Also, your lawn will benefit from the natural compost provided by the grass clippings. **Thanks for your help!**

Weeds & Tall Grass

The City of Indianola asks that all weeds and tall grass be kept mowed. In addition to enhancing the beauty of the community, keeping grass mowed reduces the severity of some allergies, slows the growth of additional weeds, and significantly reduces the danger of fire during hot, dry periods. Property owners are responsible for the maintenance of their properties.

E-Waste Collection

The City of Indianola will be accepting residential electronic waste at the Brush Facility during normal hours of operation.

Items collected free of charge include:

Computer Systems, Cell Phones, DVD Players, Fax Machines, VCR's, Printers, Video Game Systems

Monitors and Televisions will be collected for a fee as follows:

\$7	18" and Under
\$12	19" to 25"
\$17	26" to 32"
\$22	33" to 40"
\$27	41" and Up
