

SPRING SPEAKER SERIES
Healthy Eating

April 11th • 1:00 p.m.

Healthy eating habits are important in maintaining health and preventing health problems, but many of us aren't sure how to begin making changes in our lifestyle. There is also the financial burden eating healthy might have on a "fixed income" budget. This presentation will allow you to learn how food assistance can help supplement or even cover the costs associated with making smart healthy food choices. Find out about healthy choices you can make so that healthy eating is not just a goal, but a reality. Presented by: Stephanie M. Anderson, Senior Citizen Nutrition Assistants - Warren County Extension Program
