Sidewalk Inspections

Have you noticed pink paint along portions of your sidewalk? The City of Indianola is performing their sidewalk inspection program. The painted area indicates a portion of sidewalk that needs to be repaired. The City will be sending out letters to property owners notifying them of the necessary repairs. Property owners will have 30 days from receipt of the notice to repair the sidewalk.

Section 26-72 of the City Code Ordinance states:

"It shall be the duty of all owners or occupants of lots of lands within the City to keep in repair all sidewalks in front of or abutting any property owned or occupied by them. The Council may cause to be repaired all broken or defective sidewalks when in an unsafe, broken or defective condition. In the event that the property owner refuses or neglects to make repairs, the Council shall order the work done and the cost thereof may be collected as special taxes, as provided by Section 364.12 of the Code of Iowa."
