

IMU Alert System

Now customers can receive important alerts from Indianola Municipal Utilities via email, text message or both! The utility's new Alert System is free to all customers and easy to sign up for. Simply go to www.i-m-u.com/Alerts.aspx to enter a valid email address and mobile phone number (if desired) to begin receiving utility alerts. Customers can unsubscribe at any time.

This new alert system is not designed to target specific addresses or neighborhoods. Therefore, IMU will continue to give advanced notice when known addresses will be affected by planned water, electric or network service projects.

The new alert system will be used to communicate information during widespread utility outages, including estimated outage times. Subscribers will also be alerted when it's important to reduce or curtail electric consumption.

Don't worry, we promise not to inundate your inboxes. General utility information can be found on our web site at www.i-m-u.com or by calling 515-962-5302, as we are happy to answer your questions.

Sign up today, it's free and easy!!

ATTENTION RESIDENTS

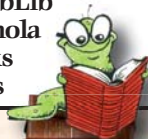

The Indianola Police Department is gauging the interest of the community in establishing a Neighborhood Watch program. Neighborhood Watch programs effectively utilize the members of the community as additional eyes and ears for the police department. Goals of the program include deterring and reducing crime, improving communication among the citizens and police officers, as well as creating a greater sense of security in our town. If you would like some more information or would like to be involved, please contact Sgt. Ron Hamell by email: rhamell@cityofindianola.com. Please supply contact information with your email, and if enough interest is expressed, IPD will move forward with establishing this community improvement project.

Please Clear Snow From Around Your Fire Hydrant:

If you have a fire hydrant located at or near your property, the Indianola Fire Department is asking that you clear snow away from it. When responding to a fire emergency, every second counts.

Buried or inaccessible hydrants may result in a delay at the scene of the emergency. Your assistance in keeping hydrants clear is greatly appreciated!

Please Keep Your Sidewalks Clear

For the safety of pedestrians, City ordinance requires property owners to clear their sidewalks of snow and ice in a timely manner.

Failure to comply with this ordinance may result in a fine, court costs and/or payment to the City for costs associated with removal.
