**Please Clear Snow From
Around Your Fire Hydrant:**

If you have a fire hydrant located at or near your property, the Indianola Fire Department is asking that you clear snow away from it. When responding to a fire emergency, every second counts.

Buried or inaccessible hydrants may result in a delay at the scene of the emergency. Your assistance in keeping hydrants clear is greatly appreciated!

**Please Keep Your
Sidewalks Clear**

For the safety of pedestrians, City ordinance requires property owners to clear their sidewalks of snow and ice in a timely manner.

Failure to comply with this ordinance may result in a fine, court costs and/or payment to the City for costs associated with removal.

PUBLIC NOTICE

City Ordinance 69.10 prohibits parking on any public street or alley during a snow emergency parking ban.

Such ban is in effect when two or more inches of snow or ice has fallen or is predicted by the National Weather Service. Ban shall continue for the duration of the storm and for forty-eight hours past the end of the storm unless streets are fully opened after plowing. If your vehicle is in violation of the snow emergency parking ban, you will be subject to a \$35.00 parking ticket and/or your vehicle may be towed at your expense. Snow emergency parking ban will be posted on cable channel 86, the city website www.indianolaiowa.gov or can be confirmed by contacting the Police Dept. at 961-9400. Please take special note of this ordinance and plan accordingly. Thank you for your cooperation.
