

**Please Clear Snow From
Around Your Fire Hydrant:**

If you have a fire hydrant located at or near your property, the Indianola Fire Department is asking that you clear snow away from it. When responding to a fire emergency, every second counts.

Buried or inaccessible hydrants may result in a delay at the scene of the emergency. Your assistance in keeping hydrants clear is greatly appreciated!

The City of Indianola is now on Facebook! Be sure to "Like" [CityofIndianolaClerksOffice](#) for information on projects, news and events happening in Indianola.

**Please Keep Your
Sidewalks Clear!**

For the safety of pedestrians, City ordinance requires property owners to clear their sidewalks of snow and ice in a timely manner.

Failure to comply with this ordinance may result in a fine, court costs and/or payment to the City for costs associated with removal.
